WORLD TRADE CENTER INSTITUTION EMBASSY NIGHT 2014

Baltimore, MD—The World Trade Center Institute's Embassy Night event is held on October 7, 2014, at five o'clock in the afternoon at Atrium Hall inside of the Ronald Reagan Building and International Trade Center, 1300 Pennsylvania Avenue, NW Washington, D.C, 20004. Embassy Night provides business leaders in Maryland the opportunity to celebrate global business success and to network with diplomatic officials from over 30 countries. For over 26 consecutive years, WTCI's Embassy Night event has showcased the achievements of international and local companies around the globe. This year's Embassy Night is sponsored by the Telecommunications Systems Incorporation, and features breakout sessions on "Maximizing Your Cyber Defense through Workforce Readiness: Best Practices in Cybersecurity Training"

WTCI History

As the Mid-Atlantic region's largest international business network, the World Trade Center Institute serves as the World Bank Group's Private Sector Liaison Officer. Established in Baltimore, Maryland in 1989, the company operates as a private, non-profit organization, and has assisted over 18,000 clients through its global connections and signature events.

-more-

WTCI benefits over 2,500 firms in Maryland, and is one of 300 World Trade Centers around the world operating within the World Trade Center Association. WTCI's primary mission is to establish an environment in which its premier partners, members, and international ambassadors can benefit from shared knowledge provided by WTCI's services. International Business Series, networking connections, member services, and professional exchange programs assists in connecting Marylanders to business leaders around the globe.
